Job 1 - Virtual Assessment (tenant)

Apartment, Montreal QC. Online booking -> video call -> report + air-test estimate

Property	1500 Des Bassins St, Montreal, QC (apartment)
Client	Tenant
Service	Virtual Assessment - live video call in the Mold Busters Virtual Inspection app
Paid	$100 incl. tax (paid)
Booked by	Client, online (self-booking page)
Virtual inspector	Luka Markovic, MSC ME, CMI
Report written / reviewed by	Goran (admin support) / Stefan (admin support)
Follow-up	Automated SMS + emails (Close CRM, 'Bruce' virtual support)

Why the client called

From the online booking form: black and white mold inside the washing machine, around the washer and dryer, inside ventilation ducts and around the oven. A strong smell in the apartment that does not go away even after deep cleaning. Client said they are a tenant.

Step by step

When (Eastern)	Step	System	What happened
Sun Sep 7, 2025 09:30	Online booking	Booking page -> Google Calendar 'MB - Virtual Inspections'	Client books a VA slot and fills a short form (address, owner/tenant, concerns). The calendar event is created automatically with the form answers, an admin link to the video platform, and an automatic AI 'financial analysis' of the area.
Sun Sep 7 09:30	Confirmation	Email + SMS	Booking email with app links (Android/iOS) - client joins with their phone number. SMS reminder with a pre-inspection survey (Google Form).
Sun Sep 7	CRM	Close CRM	Lead created automatically (via API) from the VA calendar.
Mon Sep 8 11:30	Video call	Mold Busters Virtual Inspection app (vr.bustmold.com)	Inspector talks with the client (about 19 min). From 4:12 to 7:08 the client walks the camera through the laundry (washer drum, dryer vent), ceiling and wall vents and the oven. Inspector captures 3 snapshots for the report.
Mon Sep 8	Invoice	FreshBooks	Invoice MT343: $100 total. Paid.
Mon Sep 8 12:48-13:00	Report + estimate	Brain (internal CRM) + Asana	Admin writes the Virtual Assessment Report, second admin reviews. Asana card created, tagged PAID, notes 'report SENT, estimate SENT'. Card closed in 12 minutes.
Mon Sep 8 13:00	Report sent	Email (support mailbox)	Client gets the report link (inspector in CC). About 1.5 hours after the call started.
Mon Sep 8	Review request	Close CRM (SMS)	Status moves 'Survey Request' -> 'Review Request'. SMS asks the client to rate the VA app in the app stores.
Sep 12 - Sep 27	Nurture emails	Close CRM (email)	6 automated 'MB Marketplace' emails, every 3 days (referrals to plumbers, electricians, handymen).
Today	Status	Close / FreshBooks	IAQ estimate viewed, not accepted. No further booking found.

What the inspector found

- Client reported health issues while living in the unit.
- Client reported musty odors.
- On the video call the client showed visible discoloration (dryer vent hose, ceiling vent, wall vent grille). It may be fungal, but it cannot be confirmed without sampling.

Recommendations in the report

- See a doctor about the health issues
- Book a professional Indoor Air Quality (IAQ) test for mold
- Limit time and traffic in the affected areas until then

Estimate MN320

Amount	$520 + 14.975% GST/QST = $597.87
Project time	On-site visit
Status	Viewed by client, not accepted

- Indoor Air Quality assessment on site
- 75 L air samples sent to an accredited third-party lab
- Visual check during sampling (thermal camera, moisture, temperature/humidity/dew point as needed)
- Written summary once lab results arrive; full payment needed before results are released

Files in this folder

File	What it is
Report_Virtual_Assessment_redacted.pdf	Report the client received (12 pages)
Estimate_MN320.pdf	The air-test estimate, rebuilt from FreshBooks data
