Hello [client],

Thank you for contacting Mold Busters and for sharing those photos. I'm sorry you're dealing with mold on your bathroom ceiling and around the bathtub. Since you are the property owner and there is visible discoloration, our free virtual mold inspection would be an ideal first step. During this video call, one of our certified inspectors will guide you, assess the mold, and discuss next steps.

Would you like me to explain how our free virtual inspection works, or should we go ahead and schedule an appointment?

Best regards,
Bruce
